

The American Physical Society

PRIZE TO A FACULTY MEMBER
FOR RESEARCH IN
AN UNDERGRADUATE INSTITUTION

*sponsored by
The Research Corporation*

*is awarded by the American Physical Society
to honor a physicist whose research in an
undergraduate setting has achieved wide recognition
and contributed significantly to physics and
who has contributed substantially to the professional
development of undergraduate physics students.*

*This Diploma certifies
that the 2008 Prize has been presented to*

Michael R. Brown

*For his outstanding contributions
to plasma physics made possible by his development
of a world-class spheromak laboratory
at Swarthmore College, and for his energetic mentoring
of undergraduate students.*
